

BY LAWS & DEED RESTRICTIONS COMMITTEE SUN EAGLE BAY

SCOPE of Guidelines

The by-law and deed restrictions committee was appointed by the SEB current Board to determine what needs to be updated, removed or kept according to older by-laws and deed restrictions throughout the years that conflict or now not applicable due to current times.

This committee will review all by-laws and deed restrictions and present to the Board any updated and revised versions that also complies with current Texas Codes that supersede all deed restrictions

Once this is completed it will be presented to all SEB members to review and vote before any permanent changes are put into place
